

Music Review of Eye Of The Storm by Tina Wilson CEO Global Entertainment Mag

warchilin66, 2018

Within The Eye Of The Storm, like the phoenix rising, I discover the journey of dreamworlds, and deep filled emotions start to flow through my veins. Lost in flight I get into a sea of philosophy and angelic delight of sounds that comforts me. Eye of The Storm by Red Sea Rising is an adventure I enjoy getting lost in. â by Tina Wilson CEO of Global Entertainment Mag.

Will be posted with out interview soon.
