

BreakTheCrates.com - A New Music Distribution Service

Ken, 2018

[BreakTheCrates.com](#)

is a new music distribution service dedicated to getting singles in the hands of radio programmers, mixshow DJs, and industry tastemakers. High quality MP3 files are uploaded to an online database for DJs to browse, review, download and add to rotation.

BreakTheCrates.com is a new music distribution service dedicated to getting singles in the hands of radio programmers, mixshow DJs, and industry tastemakers. High quality MP3 files are uploaded to an online database for DJs to browse, review, download and add to rotation. BreakTheCrates.com hosts the most dedicated and professional users online
